GENERAL INFORMATION

FRAME: Metal tube

TABLETOP: Standard natural finished oak finish. Natural finished has a slight bleaching effect, causing the colour of the wood to change less.

BASE: On black grey powder coated steel glides as standard, without felt and with extra anti-slip pads.

GENERAL INFORMATION ABOUT FRAME: 3 cm higher glides are also available at no extra charge.

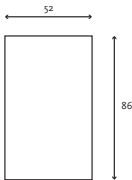

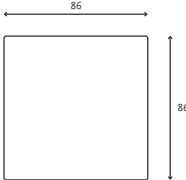

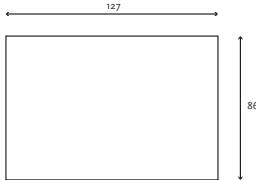

COLORBOX: The frame is also available in the other Colorbox steel and wood colours for an additional charge. Stainless steel is **not** possible. The tabletop is also available in the other Colorbox wood colours for an additional charge. Colour differences in wood are a natural phenomenon and are no reason for complaints.

WEBSHOP: Caps, felt, glides and other service products can be re-ordered directly through label-webshop.nl and will be shipped within 3 to 4 working days.
